To whom it may concern,

Van Dien Fused Phosphate Joint Stock Company would like to thank you for your commitment, companionship and sharing with our company in the past years. We wish your company a happy Christmas, Tet holiday and a prosperous new year.

In order to have a basis for planning to build selling prices for large consignments in 2021 (shipments from 5,000 - 10,000 tons and shipments over 10,000 tons), our company is eager to receive your company's purchase plan next year. If there is any problem or other request, our company is very grateful and willing to serve if customers respond soon.

We are looking forward to receiving your attention and coordination of implementation.

Thanks & Best Regards.
